

SPARK YOUR CREATIVITY!

2018 SPONSOR OPPORTUNITIES

SUMMARY

Spark your Creativity! Perfect for the whole family, Ignite Peoria showcases hundreds of local makers, musicians, artists, innovators, dancers, and actors, in one STEAM inspired interactive FREE day of fun and learning! The Proud Home of River City Labs' MidWest Makerfest, Ignite Peoria features hands-on creation stations showcasing everything from painting, to 3-D Printing and more. Additionally, the event features theatre, dance, and technology workshops; a flying drone course; a "Battle Bots" Competition; and two live performance stages. Come join us on Saturday, August 11th at the Peoria Civic Center and find your inspiration to create!

What is STEAM?

STEAM is an educational approach to learning that uses Science, Technology, Engineering, the Arts and Mathematics as access points for guiding student inquiry, dialogue, and critical thinking. The end results are students who take thoughtful risks, engage in experiential learning, persist in problem-solving, embrace collaboration, and work through the creative process. These are the innovators, educators, leaders, and learners of the 21st century!
